Reference is made to your application for employment with this Agency and your letter of 14 May 1952 which was addressed to [redacted]

We have made a careful review of your qualifications, but have been unable to locate a suitable position for you at this time. If the picture should change at a future date, we hope that we may again have an opportunity to consider your qualifications.

In regard to the dual compensation problem, if you were to be employed by this Agency, you would have to forego receipt of your retirement pay unless your retirement pay were greater than your salary. In such a case, you could receive your salary from this Agency and the difference between your salary and your retirement pay from the Army.

Your interest in our organization is sincerely appreciated.

Very truly yours,
